Are You Tired? **TAKE** For the Nerves

If you want to keep in the front rank these strenuous days the nerves must be fed. When nerves lose their vitality, due to overwork or illness, other bodily functions also become impaired. Restless sleep, disturbed digestion, physical languor, weakened kidneys, are all directly traceable to the nerves. Everybody is working on their nerves. You need a TONIC. Build yourself up. Get some life into your system. Amana is the right tonic for that nervous condition. \$1.00 per bottle.
